# JOB TITLE: Fabrication Welder (2 shifts available)

*ABOUT US:* MAAC is an industry-leading **Machine Manufacturer** serving the plastics industry. Established for over 40 years, MAAC is a privately-owned and operated business designing and building custom thermoforming machinery. At MAAC we work hard to deliver a great, built-to-last machine. We maintain a strong focus on the development of our teammates. MAAC is experiencing growth and is looking to attract talented and motivated individuals to join our team.

*ABOUT THE JOB:*

| | |
|---|---|
| 1st Shift Schedule: | Monday thru Friday; 7:00am to 3:30pm |
| 2nd Shift Schedule: | Monday thru Friday; 3:45pm to 12:15am |
| | 10+ hours of overtime consistently available; |
| | paid breaks, paid weekly |
| Location: | 590 Tower Blvd, Carol Stream, IL (DuPage County) |

*JOB SUMMARY:* MAAC is looking for both entry-level fabricators/welders along with experienced machine builders with potential to grow into a leadership role. The primary tasks involve building machine frames and components out of structural steel, followed by tearing down completed machines to prepare for transport.

- MIG welding and fabrication of machine frames and components that consist of light gauge sheet metal to heavy gauge tube, flat bar and I-Beam
- Fabricating industrial ovens, safety guarding, vacuum tanks, swing doors, fan brackets, catwalks
- Grinding and finishing completed products
- Perform quality checks on finished components
- Installing finished components into machine structures
- Disassembling machines for painting and shipping
- Material handling with sit-down forklifts and overhead cranes
- Typical workload is 80% Fabrication and 20% Welding

*BENEFITS:*

- Training and teaching provided to learn a new trade
- Heavy promoting from within; multiple career progression paths
- Annual performance review and rate increase
- Earned vacation time and paid holidays
- Health coverage available
- Purchase assistance for required personal equipment
- Teammate appreciation events
- Referral pay for referring a friend or colleague
- Teammate assistance programs
- Profit sharing available upon reaching qualified service time
- Reimbursement for qualified technical training
- Clean and modern environment with well-maintained equipment
- Stability of industry-leading company in business 40 years
- Equal opportunity employer; trade school graduates and veterans encouraged
